

'Y' Conference to Consider Aid for Student Evacuees

A Pacific coast YWCA-YMCA conference to aid students affected by the alien evacuation order will be held at 2 p.m. Saturday at the "Y" cottage.

Harry Kingman, YMCA general secretary, said the joint conference will plan a policy and program and obtain the cooperation of "Y" associations throughout the country, so that all possible help will be given evacuees.

Program committee members are: Richard Mills and Marian Reith, executive field secretaries for the Pacific Southwest from the national student YWCA and YMCA councils;

Robert O'Brien, assistant dean of the University of Washington.
